

EOLO

DESIGNED BY THE WIND

Table P.C.
Cod. 02032

Features:

The table p.c. is made of fully-recyclable top-quality non-toxic resin component parts. It consists of two rotating tops (60x42x4 cm) located at different heights (58 - 72 cm) and it is fitted on a 5 spoke base with or without wheels. The system is at the same time light and sturdy. The component parts are available in various colour combinations.
